

## LEARNING HOW TO LOVE

TRADITION + HOPE + INCLUSION + FAITH

### Happy Easter!

April 27, 2025

We had a wonderful time celebrating the resurrection of Jesus this last weekend kicking off a season of glory and grace! I am thankful for all the hard work so many joyful and caring people gave to pulling off a blessed holy week and Easter celebration. Music was rich and moving, our worship space was prepared and maintained, and our Easter brunch was a knock-out! So many thanks for all the time and effort people put into these days of devotion.

Over the next few weeks, we will celebrate together with hope and joy in the great fifty days of the Easter season, and then the great feast of Pentecost. I am excited by what is ahead for all of us. And this includes the season after Epiphany (this summer) in which we all will participate in activities of fellowship, creativity, and experience for congregational and spiritual renewal. Please know there is a place for you in all of it!

With much gratitude, thanksgiving, and deep affection and love,

Drew+
